

NEW AT HOMESNAP

WHO'S VIEWED MY PROFILE?

WHO'S VIEWED MY LISTINGS?

ATTENTION AGENTS!

Homesnap Pro's **Who's Viewed** feature allows you to make new connections and deepen your understanding of your online presence. See how many agents and consumers viewed your listings, and which agents viewed your profile. Access your personalized stats from your user profile on your phone or desktop.

Solicit feedback from agents who viewed your listings

Impress your seller with listing view stats

Expand your network with other agents

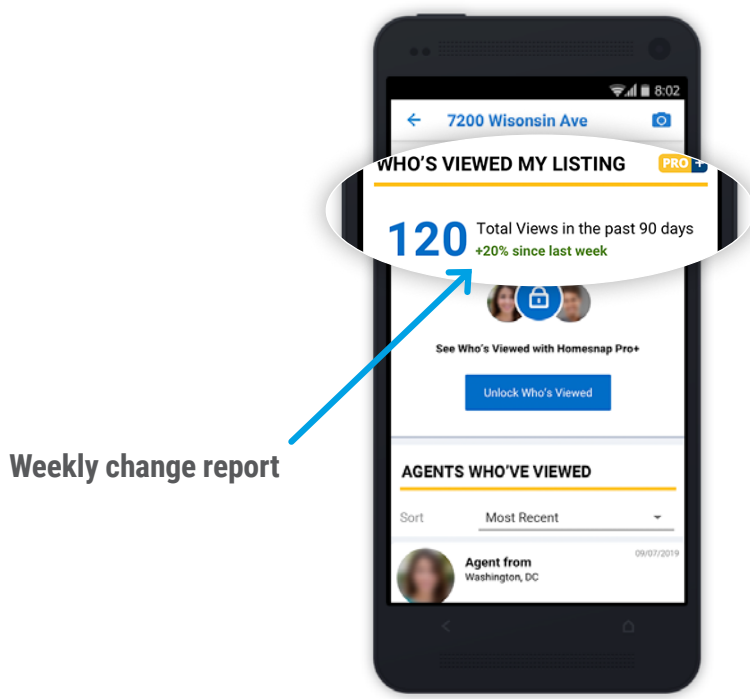

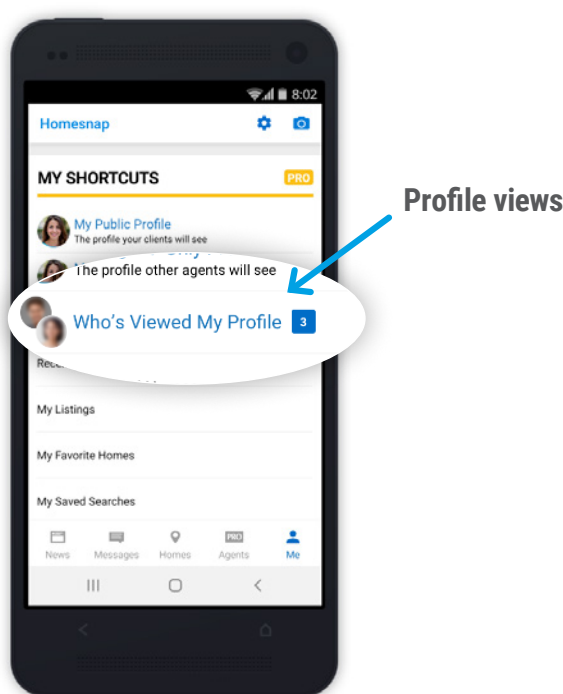

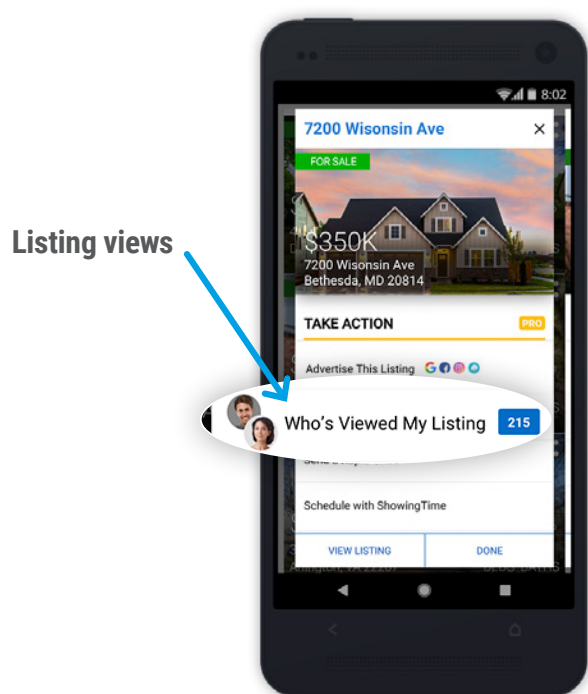

Understand your online presence

LISTING & PROFILE VIEWS

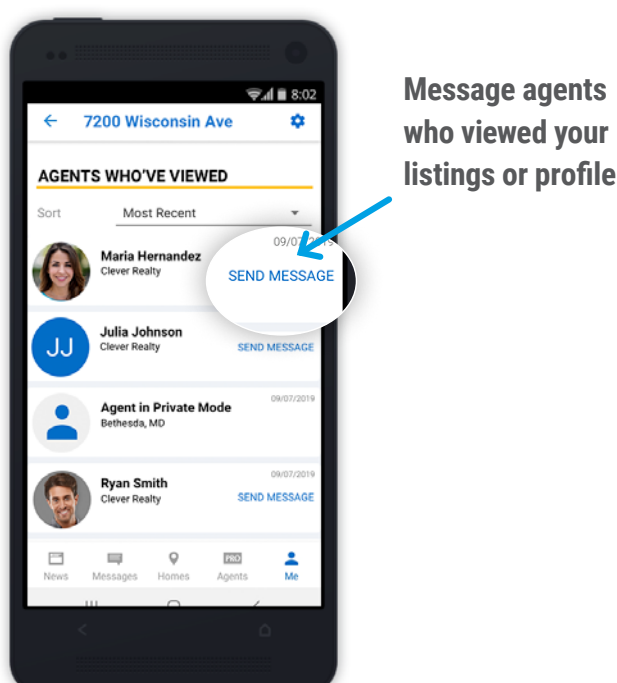

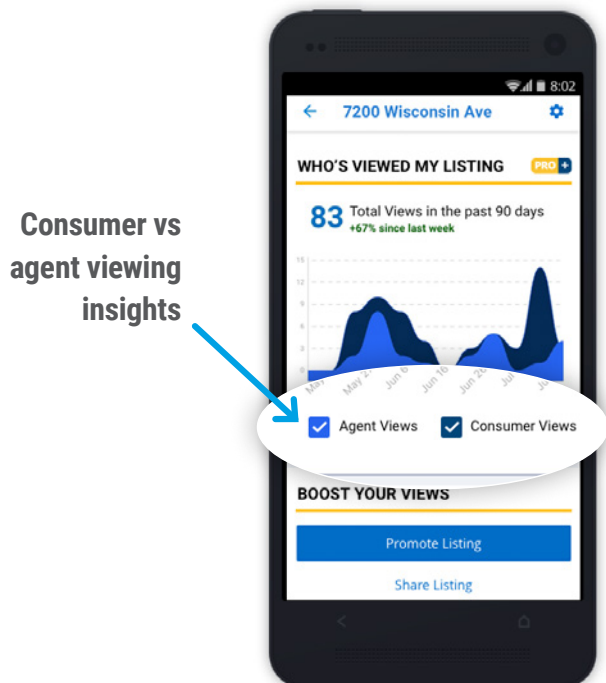

PRO

See how many agents and consumers viewed your listings, as well as the city and state of agents who viewed your listings and profile.

PRO +

See who's viewed your listings and profile, and message agents with one tap to connect, network, and get feedback.

Check out your stats today homesnap.com/me
